

- **Why do you think the original picture is famous?**

The original picture is famous because of the personality of the famous and legendary Brazilian footballer, Edson Arantes do Nascimento, popularly known as Pele, in the picture.

- **What visual design elements did you consider as you were preparing your photograph?**

I considered color, line, texture, shape, space, and form.

- **What specific things did you do to imitate the original?**

I followed the Rule of Thirds, did color balancing, and considered element of shape.

- **What is one key thing that you learned from the picture that you could use to make your own work better?**

I learned how to use color for visual effect. For instance, I noticed the tint in the background achieves some color balance in the image and I could have done a bit more to achieve this in my recreation.
